CELLAR SELECTION

"No matter one's age or inclination, we all enjoy a good story and this, as well as the exceptional quality and taste of the wines listed below, is why I have chosen them to be the first of my listings under our Cellar Selection. From the misfits of Black Elephant Vintners, to Tinashe's rise to wine fame, the story of the Papegaai and the beauty of Steenberg, I look forward to sharing these stories with you and hope you enjoy these wines as much as I do!"
– Monique
